Book Synopsis

Youâ€™re passionate about your business and work hard at it, yet you know itâ€™s capable of achieving so much more. You want it to be the best in its category, and you want to see the profits to match. You want a Superstar Business. So how do the worldâ€™s best enterprises reach such great heights, and how exactly do you take your business to the top? Mark T. Moore has done this for himself more than once, so he knows firsthand what makes enterprises grow and thrive. A Superstar Business Owner, Mark has also been a fearless corporate leader and in-demand consultant. He has spent years transforming businesses on almost every continent, from middle-of-the-pack performers to superstars. Mark has seen it all, and now heâ€™s sharing the secrets heâ€™s uncovered along the way. Loaded with real-life stories and insights based on decades of experience, Superstar Business Secrets is a powerful and proven framework for supercharging your business. Mark leads you step by step through the five most effective, results-oriented strategies you can apply immediately to get the mission-critical aspects of your company right. Taken together, these secrets will help you jump-start your sales and surge ahead of your competition. Itâ€™s time to take your company to a much higher level. Donâ€™t settle for average when a Superstar Business is within reach.
